

WORKSHOPS

Workshop Topics are issues of the day that are important to Women of New Jersey across the Garden State. We will explore Racial Justice, Truth and Healing, Human Trafficking, LGBTQIA+, and the draft of the new social statement- Gun Violence and Trauma. All are welcome.

We invite you to join us in these important conversations on these subjects and more. We have much to talk about at our table. Our talks are on the 3rd Wednesday of the month at 7:00.
